Description (Expense Detail)

A description of an expense is meant to proide greater detail of the expense for clarity in the approal process. Any special circumstances or releant details should be included in this field. This differs from the Business Purpose which is a more generalized reason for the trael. A description is mandatory for any expense of other."

E-Wallet

The E-Wallet is where you will find all of your transactions including UMB Pcard Expense transactions, receipts submitted ia email, and e -receipts uploaded directly to the app (these will appear in the Receipt Gallerwithin the E -Wallet).

Expense Owner

The expense owner is the person who incurs the expense. This person may differ from the traeler or the delegate. If the expense is incurred on a uniersity pcard, the expense owner is the employee to whom the card is assigned. If the expense was incurred using personal funds, it is the person who paid the expense using their own cash or credit.

Funding

The funding area houses the alid Fund -Org-Program combination alues. Once selected, a second field appears directly below the selected combination which houses the alid account codes.

Non-Reimbursable Personal Expense

Non-reimbursable personal expenses are expenses incurred during travel activities that are not reimbursable to the employee according to University policy. These may include expenses such as personal meal or entertainment activities included on a hotel bill or additional personal stops using transportation purposes. In such cases, it may be necessary to report the expense to match receipt/bill amounts, but mark the item as a non-reimbursable personal expense to preent the amount from being added to the reimbursement total.

Pre-Approval

A pre-approxil report (formerly known as Traiel Authorization) is an explanation of proposed business related traiel including a good -faith estimate of expenses. It is mandatory that a preapproxil report for out-of-state or international traiel must be submitted and fully approxed prior to any trail -related expenses being incurred.

Recall

This feature allowexpense owners and their delegates to return any expense report to Draft status as long as none of the line items have been fully approved.
