**INSTRUCTIONAL METHOD**

***Instructional method should be carefully selected and not changed once registration begins.*** The codes are:

TCI . 100% in-person classroom instruction; meeting day/times required

OLA . fully online. asynchronous; no meeting pattern or room assignment (replaces IIE)

OLS . fully online. synchronous; meeting days/times required, no room assignment (replaces IIS)

OHY . fully online, but with in-person testing required (on campus or at a remote testing center);

no meeting pattern or room assignment; note on SSATEXT

**SPECIAL APPROVALS AND RESTRICTIONS**

A Special Approval requirement should only be entered on CRNs for which the department wants every student who registers to **contact its office** for an override. To restrict enrollment based on specific factors and allow students who meet those criteria to enroll without calling, **do not** put a Special Approval. The RO can restrict courses based on a student's major code, class, level, program and college. Such restrictions should be added to the course level using CIM and then will be applied to the CRN. For situations in which the restriction will only be applicable to one term or one CRN of the course, please email [schedulebuilding@wichita.edu](mailto:schedulebuilding@wichita.edu) with the details.

**Graduate Faculty Status**

An instructor of any course numbered 500+ (and not flagged as %for UG credit only+) **must**
